

GRATZ
INDUSTRIES

4 February 2005

To Whom It May Concern:

Fabian Sanabria worked at Gratz Industries in the capacity of welder. He was employed from July of 2003 to February of 2005.

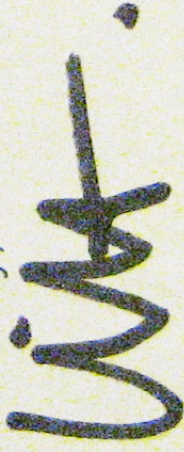

Mr. Sanabria was a fine employee, with a good attendance record.

He used TIG/MIG equipment to weld steel, stainless, aluminum, and brass.

If you have any questions or need further reference, please do not hesitate to call me at the number listed below. I would be happy to vouch for Mr. Sanabria.

Thank you for your attention.

Sincerely,

Lucy Minturn
Vice President
